Grade. Your grade will appear in WF.

Introduction to WISEflow

When you log in to WISEflow, you can see a demo flow and an examination flow for the exam you are registered to participate in.

In the demo flow you can see a video introduction, and try the different things in the system. We recommend you to try the demo flow and see the video before the exam.

You can read more about WISEflow here: [WISEflow support](#)

Important information regarding the exam

Do not upload in WIN.rar.

It is your own responsibility to hand in before the deadline – you must click on the “Hand in” button before the deadline! Your assignment is delivered after you click on “Hand in”.
